<b>TW163</b>	MT2	Screwdriver Tip, 2/Pkg.	Nickel Plated	TTV155, TTV156	1/8	
<b>TW644</b>	ST7	Conical Tip	Iron, Nickel, Chromium Plated	TTV158	0.031	

## MINI BUTANE TORCH

- Industrial quality hand held torches for a variety of applications
- Meets Consumer Products Safety Commission child safety standards
- Every torch factory tested for performance and safety
- Specially designed to prevent liquid gas from entering nozzle, preventing flame outs and allowing use in any orientation
- Piezo ignition requires no batteries or flints
- Micro flame heats a very small, precise area
- Air adjustment ring and gas adjustment valve allow precise adjustment of flame
- Anodized aluminum barrel is tough and corrosion resistant
- Can be locked in on position for production work
- Includes stand for hands-free use
- Uses standard butane lighter fuel (not included)
- Flame Temperature: 2372° F (1300° C)
- Burn Time: 60 mins High, 90 mins Low
- Fuel Capacity: 22 ml
- Type: Micro Flame
